Honor the Past, Secure the Future

Circle of Champions Giving Society members are loyal, generous friends of the YWCA. Their leadership giving and deep commitment to the organization set an example, inspire others, and make a significant impact in the YWCA Northcentral PA's mission to Empower Women and Eliminate Racism.

Circle of Champions members will help address the immediate needs of those we serve in a tangible way; and at the same time, establish a permanent endowment providing a legacy of giving by reinvesting and strengthening the YWCA's programs.
