MOVING FORWARD

It is our pleasure to present our Fiscal Year 2022-2023 Annual Report. As with any annual report, you will find stories along with our numbers and charts. And while they demonstrate the impact YWCA Northcentral PA has had over the past year, it will not show you the depth of commitment from each team member who has worked tirelessly to provide a survivor of domestic violence or an individual escaping homelessness with a safe and nurturing environment nor the resources and support that enable them to heal and rebuild their lives. We are proud of our work, and we recognize just how deep and dedicated it is.

We have not done this work alone! We are thankful for the partnerships of our board, donors, volunteers, corporations, and foundations. It takes a village to meet the growing needs and service demands for the nearly 1,800 served through our Wise Options and Liberty House programs.

On January 17, 2023, we celebrated 130 years of service! We are prepared to move forward for the next 130 years of deepening our mission. We have a vision of creating a thriving community where all individuals are equal, powerful, and safe! We invite you to reflect on our achievements over the last year and to join us as we rededicate ourselves to building a community where everyone can thrive!

Thank you for partnering in our efforts to serve, uplift, and change lives!

Together on a Mission,

Dawn Linn
Chief Executive Officer

Amanda Wright
Board President

The YWCA's Liberty House takes on the challenge to help break the cycle of homelessness and support residents as they achieve self-sufficiency.

Since 1977, Wise Options has provided a comprehensive victim service center to Lycoming County. Wise Options services are offered to survivors who have experienced, witnessed, or had a family member involved in domestic violence, sexual violence, or other violent crimes. Services range from secure emergency shelter for survivors and their children fleeing violence, to community-based services, advocacy, and support.

PURCHASE WITH PURPOSE

The **YWCA Northcentral PA** is fortunate to have three unique streams of retail income that directly support programming. Each pair of donated shoes or jeans helps to drive customers to The Boutique each week to see what's new. Every bolt of fabric given to Creations of Courage is turned into beautiful handmade items. And when a gently loved prom gown is donated to Cinderella's Closet, a student is transformed into a princess ready to make memories at prom. None of it would be possible without the support of our community and the dedication of our volunteers!

If you feel called to donate your time, talent, clothing, gowns, or materials to any of the unique Purchase with Purpose opportunities outlined above, please reach out to **Kahlie DeHotman**, YWCA Retail Coordinator, at 570.322.4637, ext. 121 or email her at kdehotman@ywcawilliamsport.org.

\$101,482

The Boutique reached a new sales record for the 2022-2023 year! That's \$22K more than their previous year's sales!

400

The group of volunteer sewers who make up Creations of Courage sold more than 400 of their unique handcrafted bags and purses last year!

195

195 area students were able to find their perfect prom gown and accessories at a reasonable price during Cinderella's Closet.

We Remember

Each October, The YWCA Northcentral PA hosts a Vigil of Remembrance and Hope to honor the lives lost to domestic violence in Lycoming County during Domestic Violence Awareness Month.

YWCA AWARENESS MONTHS

January - Human Trafficking

Since 2010, our nation has recognized January as Human Trafficking Awareness Month to educate the public about how to identify and prevent this awful crime. Our YWCA partners with other agencies and groups to work together to bring awareness to the reality that Human Trafficking is taking place in our own communities. We pair our outreach in conjunction with PAATH15's initiative that works to support victims along Route 15, which runs through Pennsylvania from Maryland and New York.

February - Teen Dating Violence

Every February, young people and their loved ones join together across the country for a national effort to raise awareness about the issue of teen dating violence through Teen Dating Violence Awareness Month. This annual, month-long push focuses on advocacy and education to stop dating abuse before it starts. The YWCA hosts educational sessions, events, and distributes promotional materials to educate parents, teens, and educators on the sensitive issue of teen dating violence prevalent within our community.

April - Sexual Assault

During April, activists and advocates raise awareness about sexual violence and educate communities and individuals on how to prevent and respond. Partnering with the local community, prevention education sessions are provided within juvenile placement facilities, schools, and organizations to prevent first time perpetration and initiate a community of effective response. The YWCA strives to promote a community that supports survivors of sexual violence and ensures justice. Through these efforts, we are able to reach the community on a larger scale and help raise awareness.

October - Domestic Violence

Each year October is acknowledged as Domestic Violence Awareness Month. It provides an opportunity to remember victims of domestic violence, raise awareness of what domestic violence is, how to recognize it, and what we can all do to collectively prevent it. The YWCA educates the community to activate bystanders and share information that can help those who are experiencing violence. Various community events and education sessions are held each October, in honor of those who have lost their lives due to domestic violence in Lycoming County.

November - Homelessness

As the basic act of obtaining a home becomes more difficult, the cry for action echoes louder than ever before. During November, the YWCA raises awareness of the issue of homelessness in our communities in effort to help change the conversation about stereotypes, improve policy, help service providers, and so much more. Through the YWCA's Homelessness Awareness efforts, there have been two Huts of Hope installed within the community that serve as free and accessible hubs to obtain hygiene items as available and needed. One hut is near Hepburn Street Plaza and the other is located in front of the YWCA. We plan to grow this initiative and engage communities to partake in supplying items and maintaining stock. Furthermore, the YWCA hosts community events, distributes awareness materials, and conducts street outreach to those experiencing homelessness.

YWCA SPECIAL EVENTS

YWCA Northcentral PA hosts a variety of special events each year. While each carry their own theme and energy, the end result remains the same: engaging with our community to spread our message of hope and resilience while raising precious funds to sustain our life-saving programs.

September 23, 2022

In September, we celebrated bringing Over the Edge back to Williamsport for it's 5th year. This thrilling and highly anticipated collaborative event allowed heroic individuals a chance to descend with the sun as they rappelled down the side of the William Hepburn Highrise in support of the YWCA, River Valley Regional YMCA, and the Williamsport Area School District Education Foundation. Collectively sending nearly 80 rappellers Over the Edge, our YWCA cheered on 22 brave edgers who raised over \$25,000 to further support our mission!

November 3, 2022

In November, we hosted our 14th annual Women of Excellence event. We were thrilled to revise the nomination process by introducing award categories designed to honor women and young ladies making positive impacts in our community that align with our mission. Recognizing 43 nominees and awarding 15 category winners, the event brought together nearly 300 people in celebration of their achievements.

Women's EMPOWERMENT CONFERENCE 2023

March 28, 2023

In March, we held our highly anticipated Women's Empowerment Conference for the second year in a row. The event featured a keynote presentation by Samantha Mitchell, alongside a full-day program of empowering female speakers. With over 250 women in attendance, the conference was a remarkable success that uplifted and motivated everyone involved.

night in white GIVING GALA

June 3, 2023

In June, we brought new life to our YWCA Gala by theming the evening: A Night in White. The Park Place lawn was transformed into a magical setting for a memorable night of live entertainment, ideal weather, and great company. The evening was a success, and the funds raised went toward supporting the essential work of our YWCA.

Financial Overview

Because of allies and advocates like you, YWCA Northcentral PA continues to see success through our financial lens.

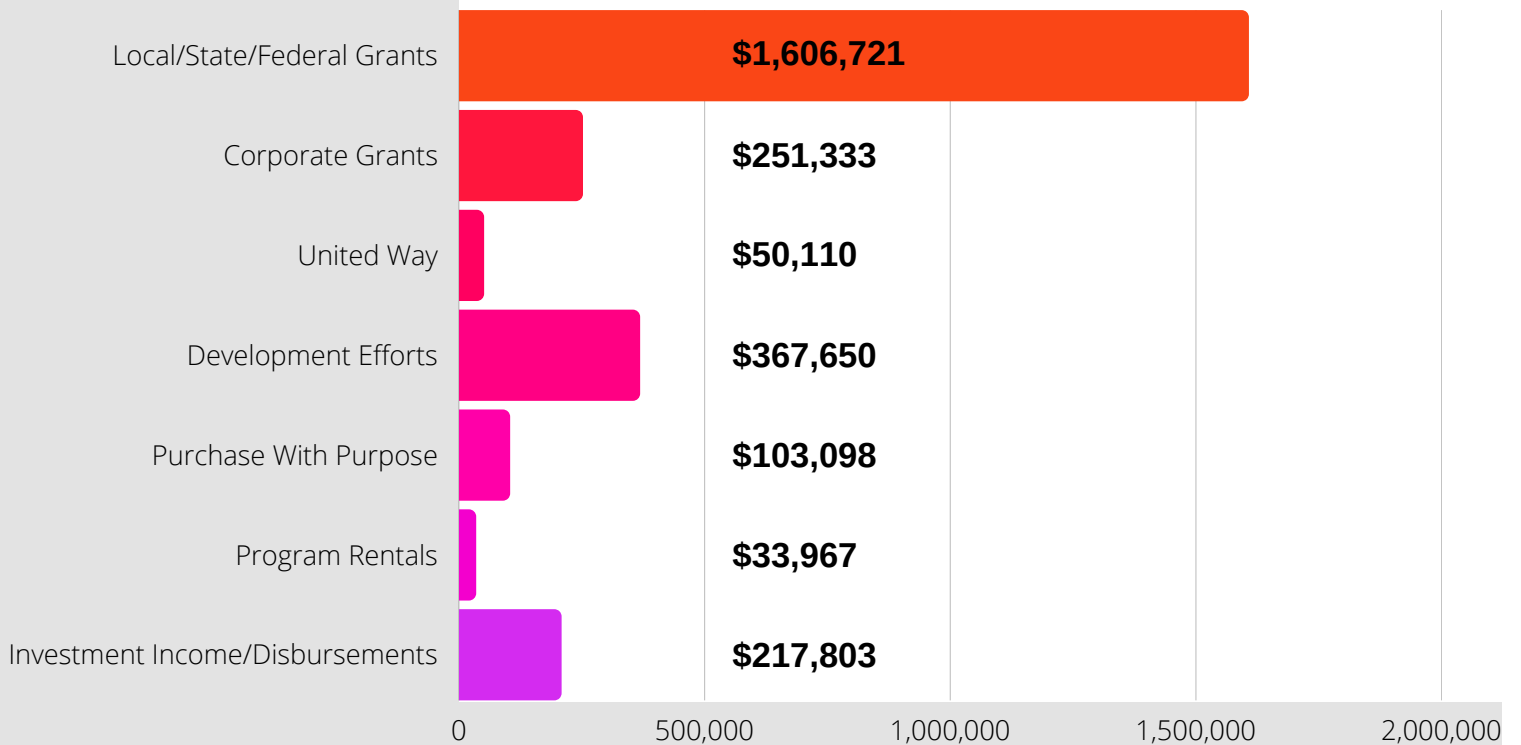

During Fiscal Year 2022-2023, revenue totaled \$2,630,682 through donor contributions, fundraising events, local, state, and federal grants & programs, sales, and investments. The 2022-2023 revenue includes a market increase in investments of \$269,522.

All funds secured through our revenue streams directly benefit our service population and community at large.

81 cents of every dollar supports YWCA programs for the women, children, and men who utilize our **life-saving services**.

YWCA Support & Revenue by Class

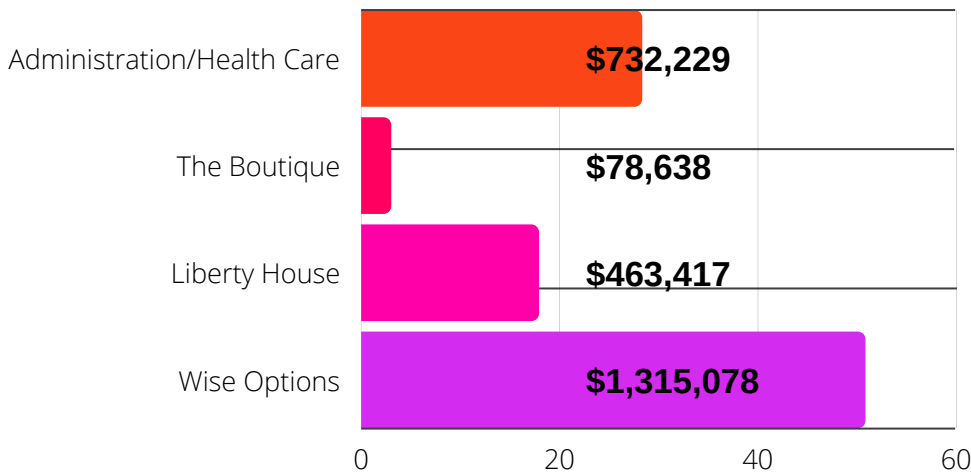

We are committed to ensuring that our resources are allocated in a way that best serves our mission. Our expenses, totaling \$2,589,362 reflect the various programs and services we provide to support those in need, including emergency shelter, Rapid Rehousing rental payments, relocation assistance, emergency financial assistance, transportation assistance, occupancy related expenses, 24/7 Crisis Hotline management, case management, advocacy, and more. We recognize that our employees play a crucial role in driving our organization's success, and payroll, taxes, and benefits continue to be a significant portion of our expenses. Despite these costs, we remain committed to providing exceptional care and support to those who rely on us.

Allowing continued improvements to be done in an effort to restore our nearly 100-year-old building, we invested \$232,005 into capital expenditures.

To remain resilient and in alignment with best fiscal practices, YWCA Northcentral PA maintains nearly \$2 million in reserves through investment planning.

ROTUNDA LEGACY SOCIETY

The YWCA Rotunda Legacy Society recognizes those who have made a commitment to ensure the safety of children and women for generations to come by making a planned gift to the YWCA Northcentral PA through their estate. Planned Giving is, in its simplest form, a sizable donation given over time or as part of a donor's estate. It enables donors to make larger financial contributions than they could make from ordinary income, providing an avenue to leave a more impactful legacy than they ever thought possible. Each planned gift provides a promise of future funding for the YWCA and reassurance in maintaining funding sources.
