

## Change lives in our Community

Each year, our local YWCA impacts thousands of lives—by teaching teenagers about safe dating, providing crisis services and insuring warm, safe shelter to keep women, children and men, away from violence and free from homelessness. Your support makes life possible, and worth living for all those in Lycoming County who need the YWCA.

## Giving Society

### Supported Programs

#### Liberty House

For women sidelined by homelessness, Liberty House

provides the education, tools, safe haven and support so women like Kayla pictured here, can regain a sure footing. By helping Kayla meet her personal goals, she welcomed her new-born twins and rebuilt a safe future for her family thanks to donations by members.

#### Wise Options

Whether it's providing short-term emergency shelter, walking hand-in-hand through court proceedings or facilitating healing support groups, Wise Options gives victims of domestic violence, sexual assault and violent crimes hope, safety and the resources to build a bright future.
