I'M HOMELESS AND I NEED HELP

WHAT IT LOOKS LIKE

Being homeless looks different to different people. Did you sleep in a vehicle, outside or in a shelter last night? Are you staying in a motel paid for by a church or charitable organization? Are you a domestic violence survivor in need of housing?

WHO CAN HELP?

Eastern Pennsylvania's Coordinated Entry System: **Connect to Home** is a free resource that connects people in need to local agencies that provide housing, shelter, and supportive services to ultimately and rapidly put an end to homelessness.

I'M NOT HOMELESS BUT HOW CAN I HELP?

RECOGNIZE THE LOCAL ISSUE

On any given day, more than 15,000 Pennsylvanians are known to be homeless. In Eastern PA alone, 2,032 people were homeless on any given night in 2020. Individuals including children were experiencing homelessness on the streets, doubled up with family or friends, or in shelters. For many this is a nightly occurrence & one that is not easily resolved on their own.
